

## Ensure Safe Roblox Play with Restricted Mode

### 1. Log In:

- Open Roblox and sign in to your child's account.

### 2. Access Account Settings:

- Click on the gear icon (⚙️) located at the top right corner.
- Select 'Settings' from the dropdown menu.

### 3. Navigate to Privacy:

- From the left sidebar, click on the 'Privacy' tab.

### 4. Enable Restricted Mode:

- Under the 'Contact Settings', find 'Who can chat with me in app?'.- Set this to 'No one'.
- Next, scroll to the 'Other Settings' section.
- Toggle on 'Account Restrictions' to activate Restricted Mode.

### 5. Save Changes:

- Click the green 'Save' button at the bottom of the page to apply the changes.

### 6. Double-check:

- Always review other privacy settings to ensure your child's account is as secure as you want it to be.

And that's it! Your child's Roblox experience is now in Restricted Mode, providing an added layer of safety against unwanted content and interactions.
