Internet Safety Poster

Symbol suggestions:

1. **Shield:** Symbolises protection against online threats.

2. **Stop Sign:** Represents the need to pause and think before clicking on unknown links.

3. **Magnifying Glass:** Symbolises the need to scrutinise or investigate friend requests or messages from unknown people.

4. **Question Mark:** Emphasises the importance of questioning suspicious interactions or information.

5. **Broken Link:** Represents the concept of blocking or unfriending people who make them uncomfortable.

6. **Whistle:** Represents reporting inappropriate or suspicious activities online.

7. **Mask:** Represents people hiding their real identity online, a clear reference to catfishing.

8. **Trash Bin:** Depicts the concept of 'delete,' encouraging kids to erase unwanted messages or interactions.

9. **Clock:** Highlights the concept of time, teaching children not to rush and take their time when sharing anything online.

10. **Checkmark:** Represents the idea of checking privacy settings frequently to ensure personal information is secured.
